

# ORAL HISTORY NOMINATION FORM

Do you know of someone that has a great Millthorpe story to tell?

We (Millthorpe & District Historical Society) would love to facilitate an oral history recording. Oral histories are stored as part of our historical archives and available for ongoing research and family history searches at the Golden Memories Millthorpe Museum. The recordings are stored as digital files but we also transcribe the interview and give the family a copy of both.

Please fill out the fields below and email this document to [millthorpemuseum@gmail.com](mailto:millthorpemuseum@gmail.com). Snail mail also welcome PO Box 37 Millthorpe 2798. We will then contact you and the nominee and arrange a suitable time and location to do the oral history.
